

Product Information

Valvoline Cockpit Spray

Cleans and protects vinyl and leather surfaces
Protects dashboards, trim and seats with an anti-static film
Provides an ultraviolet shield
Repels dust and dirt

Cleans and protects

Valvoline cockpit spray cleans and protects vinyl and leather. That new car look can be restored instantly without leaving a sticky coating to attract dust and dirt. Valvoline cockpit spray contains special ingredients to repel dust and dirt. Minimises fading and cracking of vinyls and leather caused by ultraviolet light. Use Valvoline cockpit spray for cars, trucks, boats, recreational vehicles, outdoor furniture and vinyl upholstered furniture.

Easy to use

Spray directly onto the surface and polish using a soft, dry cloth for a dust resistant, rich finish.

Technical data

Appearance Clear Liquid
